## HILARY ENGELHARDT

Gardens by Hilary, Inc. has created some of St. Louis' most beautiful gardens and landscapes.

President & CEO, Hilary Engelhardt, is a landscape designer who integrates her artistic vision with flawless installation, high quality maintenance and exceptional customer service.

Hilary's business success began with her life-long love of the natural world and her dedication to the environment. Her custom designs feature year-round color, a variety of native plants and trees, the natural integration of hardscape and water features and an appreciation for the unique needs of each customer.

Gardens by Hilary is nationally certified, award winning and would love to make your home more beautiful.

## LORI FELDMAN

Lori Feldman is the "Database Diva of Aviva," a database-marketing consulting firm that specializes in ACT! Software. She trains business owners, sales managers and marketing directors how to make more money with customers they already have using proven drip-marketing and follow-up campaigns without adding staff or overhead. Lori is a national speaker on mailing lists, database marketing and CRM, and is a past-president of the Direct Marketing Association. She is a recipient of that organization's top prize: The "Direct Marketer of the Year" Award. She is also the founder of St. Louis' first ACT! User Group, now in its fourth year. Her 8-week coaching course is rated A+ by all her students. Call to get a free copy of her report, "5 Quick & Easy Ways To Get More Customers In Only 20 Minutes."
